NEW YORK PLANS ARE OUT

RACING ON METROPOLITAN CIRCUIT WILL BEGIN AT BELMONT PARK MAY 20.

Fifteen-Day Meetings Scheduled for Belmont Park Jamaica, Aqueduct and Empire City-Saratoga Season to Include Month of August.

New York, January 29.—Though the dates for racing in the state of New York have not been officially given out by the Jockey Club, it is learned from an authoritative source that racing will begin May 20 and continue until the end of August. The opening meeting will take place at Belmont Park and will run for fifteen days. Meetings at Janualea, Aqueduct, Empire City and Saratoga will follow. There will be fifteen days at each track, excent Saratoga, which will run through the month of August. During the Janualea meeting there will be two days' cessation of racing at the track to provide for the spring meeting at Pipling Rock.

Racing will take place every week day at all the tracks named. It will depend upon the outcome of the carlier meetings whether or not there will be autumn meetings, no provision as yet having been made for any but the spring and snamer meetings.

JAMES BUTLER'S GOOD JUVENILES

New York, January 23.—When James Butler begins his racing year in carnest, which will probably be during the Bennom Park meeting of the Westchester Racing Association, there will be shown in public a number of two-year-olds that on all signs ought to be among the top-notchers. In the first place, Mr. Butler bought the best available when he took over a lot of yearlings bred by the late James R, Keene, and in the second place, they have already shown trainer R. C. Benson enough in their trials to prove that they are remarkable individuals.

A few of the youngsters are at Juarez, where they are getting early racing education, but the plek of the band are still at East View Farm. They have already been well tried out at the farm, and recently several of them were taken to the Empire City track at Youkers, where they showed remarkably fast quarters. The manner in which they have come to hand leaves no doubt of trainer Benson's ability to have them fit and ready for the first offerings at the big Nassau County course.

Mr. Butler has made a plentiful number of entries in the two-year-old fixtures and his plan contemplates a busy racing year for the youngsters. It is really the first time that the Butler colors will be shown properly, for since his entry to the running furf. Mr. Butler has at no time been adequately represented.

The mames that have been registered for the youngsters are happily chosen. A brown son of Bernsh and Running Stream has been called Pebbles.

represented.

The names that have been registered for the youngsters are happily chosen. A brown son of Ben Brush and Running Stream has been called Pebbles. Brush and Running Stream has been called Pebbles. Brigh Noon is the name chosen for a chestnut son of Voter and Noonday. Comely is a brown daughter of Disguise and Pretty Maiden, Kilkenny Boy is a chestnut son of Hippodrome and Maid of Erin: Militant the choice for a chestnut daughter of Ballot and Pope Joan: Catalina is a bay daughter of Ben Brush and Ecatarina; Marion H., a bay daughter of Boisguise and Megg's Hill, While Dervish has been causen as the name for a black son of Delhi and Coppella.

Disguise and Megg's Hill, while Dervish has been chosen as the name for a black son of Delhi and Coppelia.

Pebbles is a half brother to Ultimus and Runnymede. High Noon is a brother to Suffragette and Suffragist, both of which raced with success in the Keene colors. He is also a half brother to the good sprinter Beson. Of those named, Kilkenny Boy has the best chaim to greatness on relationship. He is a half brother to Celt, Home Rule, Erin Go Bragh and other good ones. He is a fine colt himself and has shown promising trials.

Mr. Butler hus taken a lively personal interest in the fitting of his horses for the season's racing, and he has brought the same enthusiasm into the running turf that made him such a prominent figure in the harness world. With the start that he has made with thoroughbreds at East View, it will beyond question grow to be one of the notable of thoroughbred breeding establishments in New York, John Sanford, with his magnificent Hurricana Stud at Amsterdam, N. Y., has a long lead over all of the other thoroughbred breeders in the state, but Mr. Butler has shown a disposition to pay the price for the best, and being a thorough borseman himself, when he turns his attention seriously to breeding, his establishment is sure to be a magnificent one.

Joseph E. Davis has registered his jumper, Sir Giles, as a hunter, having qualified him for such registration. Mr. Davis was at Washington yesterday looking over the string that Matt Brady is training for him at the Benning track. Brady has written that all of the horses are doing excellently well, and that Fred Essen is developing into a first-class jumper. O Bear, probably the best horse in the Davis string, is now in Maryland in the care of Robert Walden. This fellow was not at his best any time last year, because of a diseased foot. It has been cured.

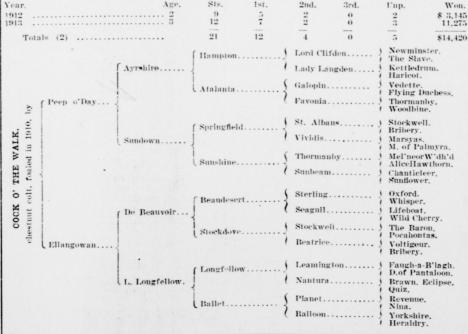

ONE OF THE CRACK THREE-YEAR-OLDS OF LAST YEAR'S RACING

It may be that no better three-year-old was engaged in American racing in 1913 than Frederick Johnson's Cock of the Walk. In some racing years the champion of that age stands out plainly distinguishable of their competitors, but which of the four was best was a natter undetermined. Horron was not beaten, all of the others were. Cock o' the Walk was the only one of the other three met in a rock plainly of the others were. Cock o' the Walk was the only one of the other three met in a rock of a mile and cock o' the Walk was making his first start of the year, so the read of the spin course for a mile and the pring as he was in the fall. Then he won his last five races and was beyond question a bigh-class young horse. If he thrives and improves normally in his writer retriement he should prove a regular whate of a four-year-did in 1914.

In his first cossa, finishing unplaced in a purse at Pimilco, May 10. to Spring Maid, Bustin and Church in his next race. This was in a purse race at Montreal, Janue 3. distance four and a half furiouse. It has not race, This was in a purse race at Montreal, Janue 3. distance four and a half furiouse, he was a token of in purvoing form that bore the fruit of religiation in his next race. This was in a purse race at Montreal, Janue 3. distance four and a half furiouse, he was a decided to the purvoing the Kindergarten Stakes on the next day. This race was at five-eighths of a mile and, carrying 101 pounds, he would by a beight and a half in 1-225 from Baskin, 105 pounds. Strike and purpose of the pur

lampered in its first mile. This was his last race at Belmont Park and from there he was taken to Saratoga.

There he began a career that was unmarred by defeat. His first start there was in the \$5,000 Saratoga Handicap at a mile and a quarter, run in 2:06. His weight was 107 pounds and he won by a length from Lahore, 110. Rolling Stone, 95 pounds, was a bad third, and Colonel Holloway, 92; G. M. Miler, 105, and Bob R., 100, ran unplaced. In the Champlain Stakes, run August 16, at a mile and an eighth, he took up 114 pounds and, running the distance in 1:51½, won easily by a length from Nightstick, 90 pounds, with Prince Eugene, 110, third, The unplaced division was made up of Lahore, 116; Sam Jackson, 109; Hawthorn, 113; Any Port, 97; Guy Fisher, 197, and Ringling, 95, so this was, in all respects, a high-class performance. August 26, in the Huron Handicap, for three-year-olds at a mile and three-sixteenths, he was given 123 pounds to 107 on Nightstick, 100 on Barnegat, 113 on Buskin and 116 on Prince Eugene, and won by a length and a half in 1:59½, with Nightstick second and Barnegat third, again a capital race. This concluded his triumphant Saratoga campaign and he was taken southward to meet some engagements at Havre de Grace, Maryland. There, on September 13, in a rousing finish, he won the Royal Blue Handicap at a mile and seventy yards in 1:45 from Nightstick and Flying Fairy. Only the three started and at the mish only three heads separated the speedy trio. Nightstick was second and the winner carried 126 pounds to his 112 and Flying Fairy's 114. His last race of the year was in the Chesterbrook Handicap, at a mile and sixteenth, run September 20. In this he was given 128 pounds to 112 on Flying Fairy, 115 on Nightstick, third, a slight readjustment of weights on the latter pair serving to reverse their placing in the Royal Blue Handicap. Then Cock o' the Walk was given a well-earned retirement for the year and the record and pedigree of this great young thoroughbred are:

THE WHITNEY HORSES NOW IN ENGLAND.

Harry Payne Whitney still maintains his stable in English racing, but it is smaller numerically than in any year since he embarked on the English turf. Many young horses sent over from this country were found wanting and were got rid of it is selling races and at auction, while such as Iron Mask, Bashti, Nightstick, Prince Eugene, Borrow, Whisk Broom II., Meeting House, Cabaret and others were brought back to the land of their nativity. It results that trainer Joyner now has but seventeen horses in his care at Balaton House belonging to Mr. Whitney, nine of which are unnamed two year-olds by Hamburg, Broomstick, Burgomaster and Fowling-piece, the latter being English-bred. Mr. Whitney has a considerable band of broodmares in England which were bred to fashionable English stallions last year and it is probable that he will depend mainly on their produce in his future racing in England, reserving his Brookdale-bred horses for racing in this country. His present stable list in England is as follows:

LOSSES RECENTLY SUSTAINED RESULT IN WITHDRAWALS AT CHARLESTON.

Selling Platers of Cheaper Class Furnish Day's Racing-Plunge on Coppertown Goes Wrong Because of His Rider's Incompetency.

Charleston, S. C., January 29.—The poorer grade of horses were given ample opportunity at Palmetto Park this afternoon, as all the races were with selling conditions and at short distances. The weather was again ideal and the racing was witnessed by a big crowd. Heavy losses that most of the layers sustained yesterday brought about a reduction in their ranks this afternoon and only ten quoted odds. As favorites and second choices were the contenders in most of the finishes the layers again lost. The only real break in their favor came in the lifth race, when Coppertown, an overwhelmingly backed first choice, unished in third place. His failure was due to poor handling and frequent interference from which he suffered during the runing. The victory of Plain Ann in the closing race at long odds was unexpected. Her owner considered her chances so lightly that he made an effort this morning to have her excused from starting, and only the fact that he would have had to pay to get her out of the race caused him to send her to the post.

Ocean Queen Only Winner to Reward Followers of Favorites at Mexican Course.

El Paso, Tex.. January 29.—Long shots were to the fore in the races at Juarez today, only one solitary favorite, Ocean Queen, getting to the fanishing line first. Nino Muchacho started off by wianing the opening dash at the long odds of 40 to 1. Chanticlor took the second at 7 to 1, while Dave Montgomery, opening at 12, but so well supported that he went to the post at 5, romped home with the third, at one mile. Ceos defeated a good band of three-year-olds in the fourth at 12 to 1. There was considerable rough riding in this race, but Ceos escaped it by going to the outside. He stumbled as the barrier rose and nearly fell.

Kirschbaum and Kederis were suspended for ten days for their rough riding tactics in this race.

Toy Boy, the favorite of the fifth race, suffered much interference on the stretch turn.

Sockey Neylon reports that he has a telegram from J. W. Schorr denying that he has sold his contract to Jefferson Livingston.

Roy Martin is negotiating for the purchase of Milton Roblee and Bob Hensley. He has offered \$3,500 for the first named and \$3,000 for the latter.

R. G. Martin bid up King Radford, winner of the fifth race, from \$300 to \$500. The horse was bought in by A. C. Porretto by the usual \$5 advance.

Ocean Queen, winner of the closing race, was also bid up, J. Chipps advanced her from \$300 to \$500 without getting her.

AFFECTS HAVRE DE GRACE ONLY.

Annapolis, Md., January 29.—Senator Williams yesterday offered a bill repealing the law under which racing is conducted at Havre de Grace in Harford county. Harford is represented in the Senate by James J. Archer. He declined to make any comment on Mr. Williams' action. President Price referred the proposed law to the Committee on Judicial Procedure, of which Senator Benson is chairman.

Williams. "I am opposed to it. The governor

has said that he was deceived when he approved the measure."
On the House side Noble L. Mitchell, one of Harford's three representatives, said:
"I was waited on last week by a delegation that informed me that it had in course of preparation a bill to repeal the race track law. I was waiting to hear from it. When the bill is prepared I expect to introduce it and support it."

Before and since the election gossip has been busy with the probable attack on racing in Harford. In the county itself racing has its staunch supporters and its violent opponents, the whole question being involved to some extent in factional political rows from the fact that M. H. Fahey, Havre de Grace political leader, is interested in the racing venture and John J. Mahon, Baltimore politican, was also an interested party. Mahon, however, is said to have withdrawn by disposing of his interests during the last few months.
